Answers and mark guide

Q	Answer	Working	Marks
1	**0 – 20**	Read the frequencies from the points on the graph.	1
2	**10**	Read the frequencies from the points on the graph.	1
3	**4**	Read the frequencies from the points on the graph.	1
4	**20 – 40**	Read the frequencies from the points on the graph.	1
5	**4**	Read the frequencies from the points on the graph.	1
6	**39**	Read the frequencies from the points on the graph.	2
7	**16**	Read the frequencies from the points on the graph.	2
8	**0**	Read the frequencies from the points on the graph.	2
9	**2/15**	Read the frequencies from the points on the graph.	2
10	**28.6%**	Read the frequencies from the points on the graph.	2
11	**24.2**	Read the frequencies from the points on the graph.	3
12	**20 – 30**	Read the frequencies from the points on the graph.	3
13	**24**	Read the frequencies from the points on the graph.	3
14	**17**	Read the frequencies from the points on the graph.	3
15	**34.1%**	Read the frequencies from the points on the graph.	3
16	**44**	Read the frequencies from the points on the graph.	4
17	**20 – 30**	Read the frequencies from the points on the graph.	4
18	**80 – 100**	Read the frequencies from the points on the graph.	4
19	**50**	Read the frequencies from the points on the graph.	4
20	**1300**	Read the frequencies from the points on the graph.	4

My score: _____ / 50 Questions 1–15 = 30 marks (Foundation focus)
