Answers and mark guide

Q	Answer	Working	Marks
1	**29**	Read the values from the box plot.	1
2	**12**	Read the values from the box plot.	1
3	**22**	Read the values from the box plot.	1
4	**7**	Read the values from the box plot.	1
5	**25**	Read the values from the box plot.	1
6	**33**	Read the values from the box plot.	2
7	**13**	Read the values from the box plot.	2
8	**50%**	Read the values from the box plot.	2
9	**50%**	Read the values from the box plot.	2
10	**25%**	Read the values from the box plot.	2
11	**20**	Read the values from the box plot.	3
12	**15**	Read the values from the box plot.	3
13	**30**	Read the values from the box plot.	3
14	**This class (smaller IQR)**	Read the values from the box plot.	3
15	**The other class scores higher on average**	Read the values from the box plot.	3
16	**49**	Read the values from the box plot.	4
17	**Yes**	Read the values from the box plot.	4
18	**Compare the lengths of the two halves of the box and whiskers (skewness)**	Read the values from the box plot.	4
19	**18**	Read the values from the box plot.	4
20	**0.41**	Read the values from the box plot.	4

My score: _____ / **50** Questions 1–15 = 30 marks (Foundation focus)
